

# SHUTOUT™

## MANHOLE LUBRICANT & SEALANT

Cherne Shutout seals and lubricates manhole covers to reduce inflow. Shutout is a safe, jobsite ready solution compatible with most manhole installations.\*\*

### PRODUCT HIGHLIGHTS

#### Stops Inflow

Significantly reduces inflow at application\*

#### Safety

Lubrication aids in easy removal of manhole covers, enhancing maintenance safety

#### Universal Application

Compatible with most existing manhole installations\*\* including those with or without a gasket, and can be applied to wet and dry surfaces between 30°F (-1.11°C) and 150°F (65.56°C)

#### Jobsite Ready

Allows for easy transportation on the road – no measurements or planning ahead of time

#### Easy Application

Application offers immediate benefits with little to no training needed

\* At initial application; monitor to reapply as needed

\*\* Not compatible with the revolutionary access design and some t-style gaskets
