

# Test Plug Adapter Kits

## Cherne i2-Series

### Technical Specification

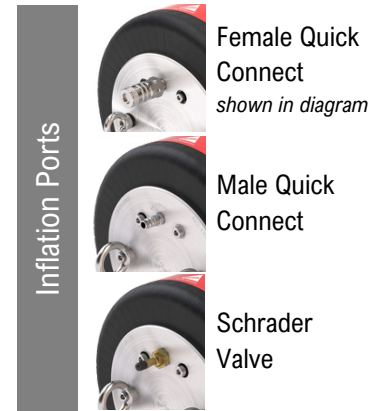

#### Specifications

Cherne® i2-Series Test Plug Adapter Kits are designed for use with i2-Series Flow-Through Plugs for line acceptance tests and leak location testing. Caps are made of durable, rust resistant PVC. Color-coded inflation ports match the plug with the hose and panel system.

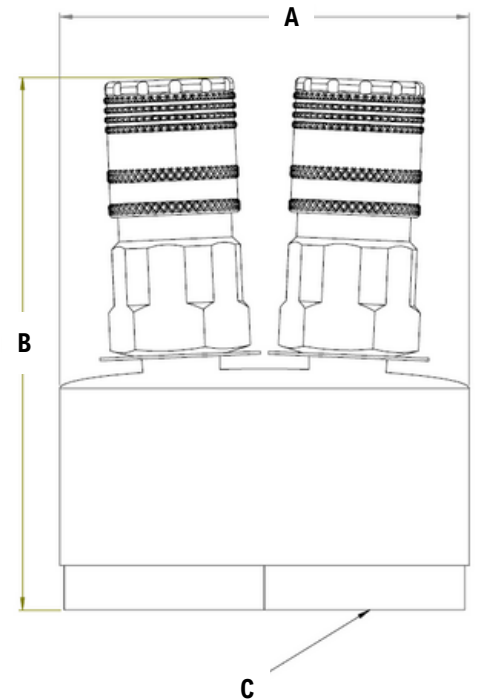

#### Test Plug

Test plug adapter kit is selected based upon Flow-through Plug bypass size and desired connection style to create complete Test Plug.

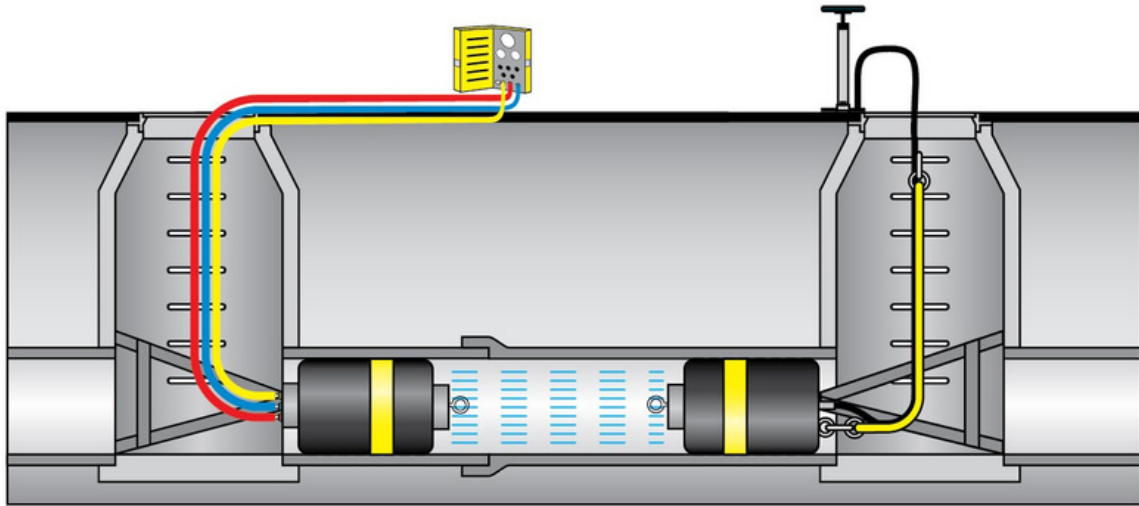

Product No.	Description	Dim A (mm)	Dim B (mm)	Dim C (BSP)
<b>Adapter Kit with Female Quick Disconnect Inflation Port</b>				
417018	1/2" Bypass Adapter Kit	27.53	103.88	1/2" / 1.27 cm
